## ABOUT US

Point Steep Youth Sports & Fitness offers youth sports and fitness training for ages 5-17. Our experienced coaches are skilled in starting with fundamentals at a young age all the way through prep for college athletics.

## THERE IS A DIFFERENCE

Parents appreciate how we separate ourselves from others by our choice of coaches, the unique connection our coaches have with both them and their kids, as well as the clear ways in which their kids benefit from the Point Steep approach. There is a difference. You'll notice it too.
